

One Free Week

Welcome to Brickhouse Gym!

Come in before work, at lunch, or after work and try out a spin class, group aerobic class or get in a work-out. Or, enjoy a walk around the lake (one lap is 3/4 of a mile!). We have child care, showers, lockers and towels available.

The Brickhouse Gym is a Denton original! We have been here 16 years with the same owner providing a non-pretentious workout environment. Our only goal is to help you attain yours.
